

► Break down the illusion that knowledge is created by isolated experts.

► Use Learning Commons' sound booth, video equipment, collaborative spaces. Work in groups or individually.

► It's about knowledge
Place
Collaboration...

Wanted *Co-creators*

WRITE A BOOK IN 24 HOURS

Joint authorship—using all forms of expression-- scholarly research-based writing, personal reflections, photo essays, audio and video recordings, photos, dance, spoken word.

Explore how virtual and visual places relate to knowledge creation.
